

TODAY IS COMMUNION SUNDAY

Everyone is welcome to take Communion at FPC. Today, you can share Christ's Supper in your own home by preparing a serving of bread and grape juice or wine for each participant.

What is acceptable?
The food part should be something you can comfortably call "bread", and the drink should come from grapes in some way. However, God will work in and through whatever you have.

Even though we are gathering around the table virtually, God's Holy Spirit will still be at work forgiving, empowering, uplifting, and uniting us.

If you are able, please support FPC financially. We depend on you to keep important ministries running.
